

Welcome to RSM  
Psychology Center, LLC.

Our dedicated staff specializes in up-to-date psychological and neuropsychological services for school-age children through older adults. We treat depression, anxiety, posttraumatic stress, panic, phobia, family and marital conflict, and adjustment to life changes. We are nationally recognized for our expertise in assessment of learning disorders, attention deficit disorder, brain trauma, and dementia. We are educators and researchers who are committed to important public health issues, such as youth violence, concussion in athletes, and care of our wounded military veterans.

We are TRICARE Military  
Health Plan Providers

## Post Traumatic Stress Disorder & Traumatic Brain Injury Services

*For Military Veterans & Personnel*

Rosemarie  
Scolaro Moser,  
PhD, ABN,  
ABPP-RP  
(Licensed Psychologist  
NJ# SI02148)

Dr. Moser is the director of the RSM Psychology Center, LLC. Dr. Moser received her PhD from the University of Pennsylvania. She is board certified by the American Board of Professional Neuropsychology and the American Board of Professional Psychology in Rehabilitation Psychology. She is certified by the American Psychological Association for proficiency in psychoactive substance use disorders.

Dr. Moser has published in the areas of brain injury, concussion, health care needs of wounded military personnel, violence, medical disorders, substance use, stress, personality, and professional ethics. Most recently, she helped plan the *International Conference on Psychological Health and Traumatic Brain Injury*, joining congressional leaders to create and present a special report to Congress that addressed the needs of our U.S. military personnel who have been injured in Iraq and Afghanistan.

Barbara  
J. Korzun,  
PsyD  
(Licensed  
Psychologist  
NJ#SI 03347)

Dr. Korzun received her Baccalaureate degree in Psychology from Rutgers University and her Doctorate in Clinical Psychology from the University of Denver. She completed Post Doctoral training in Neuropsychology at the Brockton-West Roxbury Veterans Administration Medical Center and at the Geriatric Research and Clinical Center, an affiliate of the Harvard Medical School.

Dr. Korzun is a certified facilitator and trainer of Eye Movement Desensitization and Reprocessing (EMDR), an effective therapy technique for use with Post Traumatic Stress Disorder. She has travelled nationally and internationally to disaster sites as well as to U.S. military facilities to train therapists in the use of EMDR. She is a past Executive Director for the EMDR-HAP Humanitarian Assistance Programs. Dr. Korzun is also a Certified Biofeedback and Neurofeedback Provider.
